

## Friends in Solidarity at LCWR assembly

Friends in Solidarity participated in the [Leadership Conference of Women Religious \(LCWR\)](#) Assembly Aug. 8-11 in Dallas, Texas. Sister Mūmbi Kīgūtha, CPPS, president, and Sister Barbara Buckley, RSM, associate administrative officer, represented the organization. Sister Mūmbi also drew in visitors with her colorful display of clothing and accessories made by women from her native Kenya. Friends in Solidarity garnered a small profit from the sale of these items, but most important were the connections made and relationships developed.
