

Sister Mumbi in South Sudan

We welcome Sister Mumbi Kigutha, CPPS, as the new president of Friends in Solidarity. Sister Mumbi will be spending this month in South Sudan, visiting the Solidarity with South Sudan ministries. Sister Joan Mumaw, IHM, outgoing president, will work with her until the end of March. Sister Mumbi's arrival in South Sudan coincided with the ecumenical delegation, and she was able to attend the events that took place in Juba. She also received a warm welcome from the staff and students at Solidarity Teacher Training College in Yambio last week. She will return to Juba before heading to her next SwSS ministry location.
